

Beyond the Classroom: Collaborating with Colleagues and Parents to Build Core Literacy (Paperback)

Filesize: 7.54 MB

Reviews

A high quality pdf as well as the typeface applied was exciting to see. It really is written in simple words and phrases rather than difficult to understand. You will not really feel monotony at any time of your time (that's what catalogs are for relating to in the event you question me).

Taylor Francis Ltd, United Kingdom, 2014. Paperback. Book Condition: New. 251 x 176 mm. Language: English . Brand New Book. Go beyond the walls of your classroom to build literacy and achievement. In this insightful book, you ll discover how you can better meet the rigorous goals of the Common Core by opening new lines of communication with colleagues, parents, and students. Each chapter centers around an action project that was designed to help teachers improve literacy by moving beyond the typical class lessons and worksheets. The projects include:* A book club for families of kindergarten and first grade students, to help students build foundational literacy skills * A book club designed to engage middle school students with young adult literature using digital forums * Write with your child evenings to help parents connect with their middle school children * An instructional team s challenge to use a range of mentor texts in their classrooms * And much more! As you read each project, you ll come away with ideas and inspiration that you can apply to your own teaching. By challenging yourself to connect with parents and colleagues on a deeper level, you will be better able to align your work, adjust for your students, and achieve your teaching goals.
