OCLC Number: (OCoLC)56754553 Subject: Emergency vehicles -- United States. Excerpt: . . . the visit, served as the basis and starting point for each interview. Department personnel often provided additional information related to other safety practices. After the site visit, the interview notes were reviewed, collated, and summarized by topic. All team members reviewed the summary for accuracy. This information was used to compile the report draft. Forum participants reviewed this draft and added final recommendations in August 2003. It is hoped that this initial...
