Fuji, the grand Nikko temples, beautiful Hakone, and other such world-famous sights. These renowned beauty spots are truly typical of the characteristic charms of the Empire and it is little wonder foreign tourists never fail to visit any of these spots, but the fact that these places are so widely known is mostly due to their easy means of access and the better accommodation procurable. If you are willing to leave the beaten track and are ready for out-of-the-ordinary tours, you will find not a few fair sights and scenes, some even excelling the aforesaid places in their charms and beauty. This is especially the case with the simple rustic settings and surroundings of mineral springs. We find in remote districts not easy of access and out of reach of the bustle and noise of city life, by far the most...
