Brand New Book ***** Print on Demand *****.Perfect for anybody (believer or not) who simply seeks the truth. The author discusses a range of topics leading up to her personal and ultimate conclusion that not only does God exist, but we CAN trust him, and He IS loving. She starts the first volume of this series by showing us techniques to reading the Bible so that we may be fully and properly informed before making an eternal commitment of such great magnitude. Other elements include dispelling the myth that God expects us to have blind faith, and demonstrating how we've been lied to (at the very least by omission) by those trying to hide the truth. The author uses her own personal thoughts and beliefs combined with scientific and historical evidence (such as the Dead Sea Scrolls) that support her conclusion in a very simple, easy to follow format.
