

## B\*stard (Paperback)

---

By John Courtney

Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.B\*stard is a twisted version of Adrian Mole and Bridget Jones - it charts the last year of Sebastian Murphy s time at Sixth Form. He doesn t fit in much, but he never has, so that s fine by him. Or so he says. Join him on his hilarious quest for emancipation from education, Jolly Peckers, social acceptance and his boss breath. Most eighteen year olds would kill to be in the upper echelons of the Sixth Form social strata, but no. Not I. You know why? Because most of the people I go to Sixth Form with are complete mong-gloids. The Cool Clan can lick my left one, the God Squad can JESUS OFF for all I care and the Drifters really ought to think more about using a bar of soap than obsessing about serious music, which is MOANY and DULL and not becoming of one of my disco parties for one. Oh no. Karl Marx (peace be upon him) harped on about a revolution, which I m getting bored of waiting for, quite frankly....

### Reviews

*It is an awesome publication which i actually have ever read through. it had been writtern really properly and valuable. I found out this book from my i and dad recommended this pdf to discover.*

-- **Doyle Schmeler**

*This book is definitely not simple to begin on studying but quite fun to see. I actually have read and that i am sure that i will gonna read through yet again once again in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.*
