

Essays - Second Series (Paperback)

Filesize: 6.51 MB

Reviews

This publication is fantastic. We have read through and i am certain that i will planning to read yet again yet again down the road. You wont feel monotony at at any time of your respective time (that's what catalogs are for concerning when you request me).

Createspace Independent Publishing Platform, United States, 2016. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Ralph Waldo Emerson is one of the United States most well known authors, and one whose work is still read by every student in the country. Emerson was a lecturer, essayist and poet who became the champion of individualism and ended up becoming the Father of the Transcendentalist movement by the mid-1830s. By the middle of the century, he had published dozens of essays and given thousands of lectures on topics like self-reliance, avoiding conformity, and highlighting the connection between men and their environment. When asked to sum up his work, Emerson explained that he believed in the "infinite of the private man." Emerson's most groundbreaking work was *Nature*, an essay that became the foundation of Transcendentalism. *Nature* espoused an appreciation of nature and argued that there were inherent ties between nature and life, and *Nature* is often considered the first truly "American" work, in the sense that it did not derive its topic or writing style from Europe first. It also reflected the unique natural environments found across America. Henry David Thoreau was heavily influenced by *Nature*, which he read while at Harvard. Thoreau later became a protégé of Emerson's and went on to live at and write about Walden as a result. In 1844, Emerson collected his lectures, poems, and writings and transformed them into the First Series and Second Series of *Essays*. The *Essays* discuss Emerson's views concerning transcendentalism. Some of the most notable essays in the collection are *The American Scholar*, *Nature*, *Self-Reliance*, *Compensation*, *The Over-Soul*, and *Circles*.
