PM Press, United States, 2008. Paperback. Book Condition: New. 201 x 140 mm. Language: English . Brand New Book. In 2006, Oaxaca, Mexico came alive with a broad and diverse movement that captivated the nation and earned the admiration of communities organizing for social justice around the world. The show of international solidarity for the people of Oaxaca was the most extensive since the Zapatista uprising in 1994. Fueled by long ignored social contradictions, what began as a teachers strike demanding more resources for education quickly turned into a massive movement that demanded direct, participatory democracy. Hundreds of thousands of Oaxacans raised their voices against the abuses of the state government. They participated in marches of up to 800,000 people, occupied government buildings, took over radio stations, called for statewide labor and hunger strikes, held sit-ins, reclaimed spaces for public art and created altars for assassinated activists in public spaces. Barricades that were built all over the city to prevent the passage of paramilitaries and defend occupied public spaces, quickly became a place where neighbors got to know each other, shared ideas and developed new strategies for organizing. Accompanied by photography and political art, Teaching Rebellion is a compilation of testimonies from longtime organizers, teachers, students, housewives, religious leaders, union members, schoolchildren, indigenous community activists, artists and journalists--and many others who participated in...
