Matthew's Enigma: A Father's Portrait of His Autistic Son

By Matei Calinescu

Indiana University Press. Paperback. Book Condition: new. BRAND NEW, Matthew's Enigma: A Father's Portrait of His Autistic Son, Matei Calinescu, "Matthew's Enigma" unfolds the complex relationship between a father, who is a Romanian emigre and distinguished university professor, and his son, who was diagnosed with autism when he was 7 years old. Matei Calinescu's desire to understand Matthew - the bearer of his name - is the theme of this moving memoir. Calinescu's determined search for the meaning of his son's enigmatic illness continues even after Matthew's sudden death at age 25. Reminiscences about Matthew's life are interwoven with observations of his behaviour and reflections on the difficulties that autistic persons encounter in social situations. Drawing from journals that he kept, beginning with Matthew's birth, as well as from his experience as a scholar of literature and philosophy and a reader of psychologists' and brain scientists' writings about autism, Calinescu has composed an inspiring and lyrical essay about love and illness, memory and forgetfulness, sociability and alienation.

Reviews

This ebook is wonderful. I have got go through and so i am certain that i am going to likely to read through once again again later on. You will like the way the article writer compose this ebook.

-- Miss Ariane Mraz

This pdf will not be simple to start on reading through but extremely enjoyable to see. I have read and i also am sure that i will planning to read through again once more in the foreseeable future. You wont really feel monotony at whenever you want of the time (that's what catalogues are for relating to if you request me).
