Jessica Kingsley Publishers. Paperback. Book Condition: new. BRAND NEW, Lisa and the Lacemaker: An Asperger Adventure, Kathy Hoopmann, 'This book is the third in the series to feature Ben and Andy but this book focuses on a young girl called Lisa who has Asperger syndrome. As with the other Asperger adventures, the book explores features of Asperger syndrome. This book is aimed at the 9 - 12 age group and is suitable for both girls and boys, although girls might find it particularly good reading. This is my favourite of the three books in the series.' - Communication When Lisa discovers a derelict hut in her friend Ben's backyard, she delights in exploring the remnants of an era long gone. Imagine her surprise when Great Aunt Hannah moves into a nursing home nearby, and reveals that once she was a servant in those very rooms.
