You Aren't What You Eat: Fed Up with Gastroculture (PB Reissue)

By Steven Poole

Union Books. Paperback. Book Condition: new. BRAND NEW, You Aren't What You Eat: Fed Up with Gastroculture (PB Reissue), Steven Poole, We have become obsessed by food: where it comes from, where to buy it, how to cook it and - most absurdly of all - how to eat it. Our televisions and newspapers are filled with celebrity chefs, latter-day priests whose authority and ambition range from the small scale (what we should have for supper) to large-scale public schemes designed to improve our communal eating habits. When did the basic human imperative to feed ourselves mutate into such a multitude of anxieties about provenance, ethics, health, lifestyle and class status? And since when did the likes of Jamie Oliver and Nigella Lawson gain the power to transform our kitchens and dining tables into places where we expect to be spiritually sustained? In this subtle and erudite polemic, Steven Poole argues that we're trying to fill more than just our bellies when we pick up our knives and forks, and that we might be a lot happier if we realised that sometimes we should throw away the colour supplements and open a tin of beans.

Reviews

This composed ebook is wonderful. It really is written in basic words rather than hard to understand. You may like the way the writer composes this pdf.

-- **Ryder Nolan**

This book can be well worth a go through, and a lot better than other. It is written in simple words and phrases and not confusing. It has been printed in an exceptionally simple way in fact it is merely right after I finished reading through this pdf by which basically changed me, modify the way I think.
