This time it s personal for Cross. The most elusive of killers has abducted Cross s niece, Naomi, a talented law student. Only such a devastating blow could bring the detective back - this time to the Deep South, where old slave prisons are buried in the forests, and houses of horror can disappear as in your worst nightmare. Naomi s kidnapping rips Alex Cross away from his kids and his jazz piano and sends him south with several questions burning in his mind. Why did the police wait seventy-two hours before beginning their search? And what is the head of the FBI doing at the scene of a small-town crime? Meanwhile, somewhere out there Casanova is living a secret fantasy. In his private hideaway, the world s greatest lover has assembled seven of the South s most extraordinary young women for his personal use. It s an accomplishment he can share with only one other soulmate - and that s definitely not his wife back in suburbia. But Casanova doesn t count on the exceptional abilities of one of his harem - or having Alex Cross as a nemesis.
