I Can t Imagine is an exciting adventure about a unique character. Jezzy is a bumpy blue creature who desperately wants an imagination. He searches everywhere and meets a winged animal called a banzew. Together they go to visit the Great Magic Worm. There is a fun twist at the end of the story and Jezzy s problem is happily solved. I Can t Imagine is ideal for children ages 4-7. Kids love to compare fantasy and reality and the story encourages critical thinking. Readers will love to discover what is really happening to the main character. I Can t imagine is lighthearted, fun and a one of a kind story for families to enjoy together. The drawings compliment the text beautifully and bring the literature to life. The format of the book makes it perfect for reading aloud to your loved ones or for beginning readers (first grade and up) to enjoy independently.
