

Insights Into Modern Hinduism

By Harvey De Witt Griswold

Aryan Books International, New Delhi, India, 1996. Hardcover. Book Condition: New. Dust Jacket Condition: New. First Edition. Hinduism has been a great force in world's history. Like, every other living religion, contemporary Hinduism presents a multitude of varying aspects. One might go on endlessly dealing with different facets of its many-sided structure. Hinduism is India has been all-inclusive for many centuries. Then came the revival of learning in the nineteenth century followed by religious reformation. Like in Europe, movements of 'protest' against the dominant 'catholic' form of Religion broke out, the reformed sects of India--Brahmo Samaj, Arya Samaj etc.--corresponding to the protestant churches of the west. To determine the inner genius and spirit of Hinduism it is necessary to deal not only with orthodox and catholic forms, but also with the various protesting and schismatic forms including also the religion of the outcastes. The present volume discusses in detail the evolution and development of Hinduism and deals with the study of religious movements and reformed sects. An attempt has been made to maintain a reasonably objective attitude. The Book is thus a tribute to the universal spirit of Hinduism. Printed Pages: 304. Size: 14 x 19 Cm.
