HUMAN EVOLUTION AND MALE AGGRESSION: DEBUNKING THE MYTH OF MAN AND APE

Cambria Press. Hardcover. Book Condition: New. Hardcover. 276 pages. Dimensions: 9.lin. x 6.lin. x 1.lin. Popular and scientific literature is still permeated with male aggression as a product of long evolution. The fact that violent aggression appears in the archeological records less than half as long ago as artistic expression should give pause to any student of human behavior. Humans are nothing like apes--chimpanzees, bonobos, gorillas, or orangutans which developed their mating systems independently from humans, and from each other. Chimpanzees...

Reviews

Great e-book and beneficial one. I am quite late in start reading this one, but better then never. You may like how the author publish this ebook.

-- **Mr. Alexandro Lemke MD**

It in a of the best publication. It really is rally intriguing through reading through period of time. You will not feel monotony at anytime of your own time (that's what catalogs are for relating to in the event you request me).

-- **Dr. Pat Hegmann**

It in one of my favorite publication. It is among the most awesome publication i have go through. I am just quickly will get a delight of reading through a published publication.
