IMPACT OF HEAVY METALS IN BIOTIC AND ABIOTIC COMPONENTS IN SOUTH INDIA

LAP LAMBERT Academic Publishing. Paperback. Book Condition: New. Paperback. 100 pages. Dimensions: 8.7in. x 5.9in. x 0.2in. This book documents the impact of industrialization on heavy metal accumulation in water, sediment and biota of Kaattuppalli Island, which is one of the most pristine wetland ecosystems in the Southeast Coast of India. A detailed analysis of physico-chemical variation had been done for full calendar year (2008 2009). The study area was demarcated into four different collection points based on the criteria such...

Reviews

I actually started off reading this article ebook. It is written in simple phrases instead of hard to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.
