By Margaret Miller

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from My Saturday Bird Class It is with the wish that the experiences related may inspire others to try the plan outlined in these pages of interesting children in the study of nature, that this journal of My Saturday Bird Class is published. What more delightful combination for the teacher can there be than summer, birds, and children? With the exception of Chapter VI., Billy Wren s Housekeeping, which appeared in The Independent (New York) for May 29, 1890, the record is here printed for the first time. The descriptions in the notes at the end of each chapter are drawn from Samuels s Birds of New England and Adjacent States and Coues s Key to North American Birds and from the latter source are also taken, by permission, the engravings of the bobolink, golden-winged woodpecker, downy woodpecker, kingfisher, blue jay, and butcher bird.
