Brand New Book ***** Print on Demand *****.In today s society there is a critical need in the body of Christ to return to the exclusive use of God s Word. We must use God s Word as our foundation to prevail over personal problems and encourage others to do likewise in their intricacies. The biblical principles in this book are based on the Word of God and not on opinions, experiences, or any other secular philosophies. No matter how relentless a problem may seem, there are basic scriptural principles to follow that will permit us to fulfill God s plan for our lives and give biblical guidance to others. Therefore, there is a dire need for Biblical interpretation. The only source that one should use is the Bible for accurate interpretation. The Bible is God s infallible, in errantly, inspired Word. God included everything in the Bible that is necessary for us to know concerning salvation and how we, as His children, should live. All scripture is given by inspiration of God, and is profitable for doctrine, for reproof, for correction, for instruction in righteousness: II Timothy 3:16 God s Word is our only source for what is right, what is wrong, how to get it right and how to keep it right. The Bible is the only guide that never fails.
