Melrose Books. Paperback. Book Condition: new. BRAND NEW, As Bubbles in a Mountain Stream, Sheila A. Webber, As Bubbles in the Mountain Stream is an extended essay on ecology, humanity and politics - on nature, and on what humans are doing to it (and to themselves); and ultimately what the chances are of either, or both, of them surviving. As Bubbles Dancing in a Mountain Stream is a really remarkable work. It's challenging, imaginatively and brilliantly written; argued with passionate conviction, but also a self-deprecating humour; altogether an extraordinary read!.
