Createspace, United States, 2011. Paperback. Book Condition: New. 250 x 200 mm. Language: English . Brand New Book ***** Print on Demand *****.The iPhone continues to eat up the mobile phone market, and there s no sign that it will be stopping anytime soon. Frankly speaking, there couldn t be a better time to build an iPhone app for your business. And now it s easier than ever. You can spend days learning Objective-C, but even if you did have the time commitment to spend learning code, you still might be in the same place as before: clueless! This book will help you learn how to develop iPhone Apps using the skills you already have: HTML, CSS, and Javascript. In just a few short hours, you will have the knowledge needed to create a powerful app. If you aren t quite ready for an iPhone App, this book will also teach you how to make a mobile application for your website.
