

The Age of Wire and String: Stories

By Ben Marcus

Dalkey Archive Press. Paperback. Book Condition: New. Paperback. 160 pages. Dimensions: 8.4in. x 5.7in. x 0.5in. In *The Age of Wire and String*, hailed by Robert Coover as the most audacious literary debut in decades, Ben Marcus welds together a new reality from the scrapheap of the past. Dogs, birds, horses, automobiles, and the weather are some of the recycled elements in Marcus's first collection -- part fiction, part handbook -- as familiar objects take on markedly unfamiliar meanings. Gradually, this makeshift world, in its defiance of the laws of physics and language, finds a foundation in its own implausibility, as Marcus produces new feelings and sensations -- both comic and disturbing -- in the definitive guide to an unpredictable yet exhilarating plane of existence. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
