

Never Too Young to Know: Death in Children's Lives (Paperback)

By Professor Emerita at the Massachusetts General Hospital
Institute of Health Associate in Social Welf, Phyllis Rolfe-Silverman

Oxford University Press Inc, United States, 1999. Paperback.
Book Condition: New. 241 x 163 mm. Language: English . Brand New Book ***** Print on Demand *****.In spite of society's wish to protect and insulate children from death, the experience of loss is unavoidable and there is surprisingly little guidance on how to help children cope with grief and bereavement. *Never Too Young to Know: Death in Children's Lives* is the first book to bring together diverse fields of study, offering a practical as well as multifaceted theoretical approach to how children cope with death. Using stories of children's own experiences supported by data from a large research study, Silverman explains the wide range of effects of loss upon children and the challenges they face as they grieve. Silverman presents grief as a normal part of the life cycle which results not only in pain and sadness but also in change and growth. She further explains that children can and do cope effectively with loss and the changes it brings as long as they are taught to understand that death is a part of life and that they will be included appropriately in the family drama. *Never Too...*

Reviews

These kinds of publication is the greatest pdf available. Better then never, though i am quite late in start reading this one. Once you begin to read the book, it is extremely difficult to leave it before concluding.
