Excerpt: . . . CHAPTER IV THE GREATEST RIVER IN EUROPE USSIA is essentially a land of rivers, and is XV covered with a network of great waterways, which have always played a most important part in the development and activity of the country and the people. Every land has one or more typical rivers intimately associated with its history, customs, and commerce; in England it is the Thames, in Germany the Rhine, the Tiber in Italy, in Austria-Hungary the Danube. In Russia the rivers mean far more than they do elsewhere, for they constitute the chief, often the only, ways of communication in summer-time, and a whole phase of Russian life is closely bound up with them. Of all the Russian rivers the Volga is the greatest; the Russian has a deep affection for this vast stream, and speaks of it in endearing terms as Matushka Volga,...
