It was by candlelight that John Milton read Didorus Siculus, and by the Third Book he had voyaged beyond the Cape of Hope and now was past Mozambic, and already felt freshly blowing on his face Sabeian odours from the spicie shore Of Arabie the blest. It was by candlelight that the sea coast of Bohemia was discovered, and the finding of it made a winter s tale. Baghdad is not a city to be seen by day; candlelight is the only illumination for all Arabian nights. One sees most by candlelight, because one sees little. There is a magic ring, and in it all things shine with a yellow shining, and round it wavers the eager dark.
