

Kings of the Grail: Tracing the Historic Journey of the Holy Grail from Jerusalem

Filesize: 2 MB

Reviews

Extensive guideline! Its such a great go through. It is definitely basic but surprises in the 50 % of the pdf. It is extremely difficult to leave it before concluding, once you begin to read the book.

Michael O'Mara. 1 Paperback(s), 2015. soft. Book Condition: New. Studying artifacts at Cairo's University of Al-Azhar in 2011, academic historians Margarita Torres Sevilla and José Miguel Ortega del Río discovered parchments that indicated the location of the long-lost vessel known as the Holy Grail. During their three-year investigation they traced the Grail's 11th-century journey from the caliph of the Fatimid dynasty in Jerusalem to the Muslim emir of Dénia in Spain, and from there to Ferdinand I and its resting place in the Basilica of San Isidoro in León. Though they cannot account for the now-jeweled cup's first 400 years in the possession of the early Christians, they argue that there can be no doubt this was the chalice that those early Christians knew as the Grail."Carefully detailing the life of the Grail, beginning with the early Christian church in Jerusalem . the writers make a convincing case. This book is a fascinating look at a mystery which has caught the Western imagination via books, poems and movies."Historical Novels Review"Torres Sevilla (Medieval History/Univ. of León) and Ortega del Río claim to have proven the identity of the true grail, the cup with which Jesus Christ and his Apostles shared wine at the Last Supper. This highly sought-after relic has captured the imaginations of Christians for nearly two millennia, spawning a wealth of art, literature, and, in recent decades, film. If the authors are correct, then the grail spent its first millennium in Jerusalem and its second in Spain, only occasionally coming out of the shadows. A shard cut off the cup and used by Saladin as a curative for his daughter provides one of the few other twists to this tale. A detailed description of the cup, now bedecked with an outer chalice of gold and jewels, and a refutation...
