

Boneyard Nose Art: U.S. Military Aircraft Markings and Artwork (Paperback)

Filesize: 8.36 MB

Reviews

Here is the finest ebook i have got read until now. It really is simplistic but excitement within the 50 percent in the book. Once you begin to read the book, it is extremely difficult to leave it before concluding.

(Lupe Connelly)

BONEYARD NOSE ART: U.S. MILITARY AIRCRAFT MARKINGS AND ARTWORK (PAPERBACK)

Stackpole Books, United States, 2013. Paperback. Book Condition: New. 267 x 213 mm. Language: English . Brand New Book. When aircraft retire from active service, they are sent to boneyards, usually in dry desert locations to limit damage from the elements. There the planes are stored, ready to be revamped for future use or eventually turned into scrap. These boneyards are storehouses of American aviation history, consisting of aircraft of all varieties, from fighters and bombers to transports and tankers. These aircraft represent a cross-section of American wars, including World War II, Korea, Vietnam, the Persian Gulf War, and the Global War on Terror. Many are in excellent condition, with their art and other markings preserved. Nick Veronico has visited boneyards in the American Southwest and photographed these remarkable planes, focusing on the cartoons, caricatures, lettering, and other art that give them their unique identities and personalities. Planes covered include B-17, B-24, P-38, P-47, P-51, B-29, B-52, B-1, B-2, F-4, F-111, F-14, F-15, F-16, F-4, A-4, A-6, A-10, F-105, F-106, KC-130, KC-135, C-5, C-130, KC-135, AC-130, and C-9, among others. This collection is a unique look at American military aircraft throughout the modern era and a must-have for all aviation fans. About the Author Nick Veronico s previous books include The Blue Angels. He lives near San Francisco.
