BRILLIANCE AUDIO, United States, 2015. CD-Audio. Book Condition: New. Unabridged. 171 x 133 mm. Language: English . Brand New. James Carroll delivers a tour-de-force look at what it means to be a Catholic today--set against the rich history of the Catholic Church in America. Brilliantly wresting meaning from the historical, social and religious strands of his story, Carroll illuminates the Church s transformation from reactionary monolith to an institution in which the deepest aspects of faith are being called into question. Carroll reveals his own story--as a Catholic boy in the 1940s and 50s, as a seminarian and priest in the crucible of the 1960s and early 70s, and as a committed but questioning Catholic today--with an emotional impact reminiscent of his An American Requiem. Practicing Catholic is for the millions of practicing, questioning, or lapsed Catholics and others who are searching for a way to reconcile the acts of Church leaders with the faith and the Church they still want to claim as their own.
