Pathfinder Module: Broken Chains (Paperback)

By Tim Hitchcock

Paizo Publishing, LLC, United States, 2013. Paperback. Book Condition: New. 276 x 210 mm. Language: English . Brand New Book. Slavery is legal in the sprawling city of Katapesh, but some slavers are worse than others. Somewhere below Golarion's darkest markets sprawls a hidden warren of particularly vile gnoll traders who must be stopped! When a Twilight Talon of the Eagle Knights goes missing, the adventurers are granted leave by Katapesh's eerie masters to take up arms against what would otherwise be legal business in the unforgiving city. But more than mere slavery is taking place in the deep, dark chambers below the sandy streets - for those captured and sold by the gnolls are destined for an altogether more sinister fate than simple servitude. Broken Chains is an adventure for 6th-level characters, written for the Pathfinder Roleplaying Game and compatible with the 3.5 edition of the world's oldest RPG. In addition to the adventure, this volume also features a brand-new monster and a fully detailed slave auction (suitable for destruction) that can be used in any fantasy campaign.
