This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It has been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, alter the way I believe.

Alphascript Publishing. Taschenbuch. Book Condition: Neu. Neuware - I've Got a Secret is a weekly panel game show produced by Mark Goodson and Bill Todman for CBS television. Created by comedy writers Allan Sherman and Howard Merrill, it was a derivative of Goodson-Todman's own panel show What's My Line . Instead of celebrity panelists trying to determine a contestant's occupation, the panel tries to determine a contestant's 'secret': something that is unusual, amazing, embarrassing or humorous about that person. The original version of I've Got a Secret premiered on June 19, 1952 and ran until April 3, 1967. This version began broadcasting in black and white and switched to a color format in 1966, by which time virtually all commercial network programs were being shown in color. The show was revived for the 1972-1973 season in once-a-week syndication and again from June 15 to July 6, 1976, for a Summer run. Another production ran on the Oxygen cable channel in a daily version, with original episodes airing from 2000 through 2003. GSN ran a revival from April 17 to June 9, 2006 with an all-gay panel. In October 2006, GSN opted not to renew the show for a second season, although reruns remained on its schedule for some time afterward. 104 pp. Englisch.
