Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Life is too short. Sometimes we take it for granted that we will always be around to enjoy all the small things in life like the grass, trees, days at the park with our children, and even ten minutes a day with our grandchildren. When we say we ll get to it tomorrow, does tomorrow ever come? We expect everything to be at our disposal when it s convenient for us. We take our time to do some things, yet we rush to do others. If we could maintain one pace for the rest of our lives, would we be happier? Having your life threatened to be cut short is an eye opener. It makes a person think twice about things that have happened in the past. If I could rewind my life and undo some of the things I ve done, I would. I want to make my voice heard about the beast that tried to kill me. It was a silent killer. It was The Monster Within.
