Aging in Good Health

By Sue Levkoff, Yeon Kyung Chee, Shohei Noguchi

Prometheus Books. Paperback. Book Condition: new. BRAND NEW, Aging in Good Health, Sue Levkoff, Yeon Kyung Chee, Shohei Noguchi, With advances in medicine and preventive health-care measures, more and more people are living to advanced old age while remaining productive and experiencing relatively good health and vitality. Unfortunately, a significant number of the elderly still succumb to various serious maladies, many of them preventable and treatable, whether physical or psychological. This excellent interdisciplinary collection of articles on ageing, by a wide range of experts, is designed to make available to the general reader the best recent research on the many facets of successful ageing. Divided into four parts, the contributors discuss the psychological, sociological, and biomedical aspects of ageing and conclude with a focus on how to provide effective service to the elderly. Among the specific issues discussed are the role of negative life events in adapting to growing old, spiritual needs of those near the end of life, emotional health and maturity, ethical issues in family relations and care-giving, the planning and consequences of retirement, elder abuse, over-medication, drug and alcohol abuse, nutritional recommendations, increasing physical activity, improving physician-patient communication, valuable services in the community, and the role of...

Reviews

An incredibly amazing ebook with perfect and lucid answers. It is written in basic terms and never difficult to understand. It's been written in an exceptionally basic way and it is only right after I finished reading this ebook in which it in fact modified me, affected the way I really believe.

-- **Beverly Hoppe**

Extremely helpful for all class of individuals. Better than never, though I am quite late in starting reading this one. I realized this publication from my dad and he suggested this ebook to discover.
