Readaclassic.com, United States, 2010. Paperback. Book Condition: New. 229 x 147 mm. Language: English . Brand New Book ***** Print on Demand *****.More than a 100 years after his death, Charles Dickens is still entertaining readers with his classic A Christmas Carol, the timeless classic which popularized the terms Merry Christmas, Tiny Tim, and Scrooge -in addition to influencing the way much of the world celebrates Christmas. Charles Dickens, (1812-1870), was the most popular English novelist of the Victorian era, and one of the most popular of all time. He created some of literature s most iconic characters, with the theme of social reform running throughout his work. The continuing popularity of his novels and short stories is such that they have never gone out of print. Much of his work first appeared in periodicals and magazines in serialised form, a popular way of publishing fiction at the time. Other writers would complete entire novels before serial publication commenced, but Dickens often wrote his in parts, in the order they were meant to appear. The practice lent his stories a particular rhythm, punctuated by one cliffhanger after another, to keep the public eager for the next installment. His work has been praised for its mastery of prose, and for its teeming gallery of unique personalities, by writers such as George Gissing and G. K. Chesterton, though the same characteristics have prompted others, such as Henry James and Virginia Woolf, to criticize him for sentimentality and implausibility.
