Fantastic Books, United States, 2015. Paperback. Book Condition: New. 2nd. 229 x 152 mm. Language: English Brand New Book ***** Print on Demand *****.Mogollon, New Mexico, in its remote canyon on the edge of the Gila Wilderness, is one of the Southwest's classic ghost towns. One of the few where gold and silver bricks really did come out on the stage coach, for decades. Originally a newspaper and Public Radio feature when Uncle River lived in Mogollon in the 1980s, these stories are fiction. But they caught a sense of place well enough that River's postmaster wondered why she didn't know the people. Uncle River now lives in Pie Town, just west of the Continental Divide. A hundred miles from Mogollon, this still is in Catron County, which River has called home for most of the last 35 years. It's a county almost as large as Massachusetts, the state where River grew up, with a population about the same as the student body of the high school he attended. River's other work includes the novels *King Freedom* (also from Fantastic Books) and *Nitebox*. River's story collection, *Counting Tadpoles*, includes work originally published in *Analog*, *Asimov's Science Fiction*, and *Amazing Stories*. When not writing, chopping firewood, or tending the eight-foot fence to keep the elk out of his garden, River likes to grow lots of beets, squash, and dill. Editorial Reviews: [Uncle River is] Catron County's most famous ex-Jungian analyst, hermit, science-fiction writer and, EMT. --David A. Fryxell, *Desert Exposure* Like Garrison Keillor's classic tales of another small town, Lake Wobegon, Minnesota, River's comic news reveals a place where, as Keillor put it, smart doesn't count for much. What does count are the relationships of neighbors with one another and...
