

The Observatory Volume 23 (Paperback)

Filesize: 4 MB

Reviews

This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Juliet Mertz)

THE OBSERVATORY VOLUME 23 (PAPERBACK)

Not Avail, United States, 2012. Paperback. Book Condition: New. 246 x 189 mm. Language: English . Brand New Book ***** Print on Demand *****.This historic book may have numerous typos and missing text. Purchasers can download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1900 Excerpt: .disturbance. The mode of action, too, of the forces causing the disturbances which are associated calls for notice. At first it is intermittent, disturbances recurring in approximately the same position, with the intermission of one or more quiet rotations. Then the forces seem to gather strength, and the action culminates in a big outburst, to be succeeded by other intermittent recurrences of the spot-groups. This is true of the maximum periods of solar activity, for at a minimum the action is seemingly restricted to the intermittent mode of manifestation. I may perhaps be allowed to mention a matter akin to the subject of the present paper, and that is as to the origin of the dark holes, first observed by Daw es, in the umbra of spots. Observing a spot recently, I seemed to see a faculous veil extend from the bright interstices in the penumbra over the dark umbra, but leaving certain portions uncovered. The portions of the umbra covered by the veil were of a less dark tint than the dark patches or holes uncovered, and hence the distinction. However, I speak guardedly on the matter, as I have only observed the process once, and corroborative observation will be needed to justify any such hypothesis as to the origin of these so-called holes in the umbra. The President, lather Cortie s paper is of extraordinary interest, and suggests many questions that we should like to have elucidated. There is one question I should...
